RE: February 26, 2002 Letter Concerning Totals in Year-End Report

Dear Mr. Ragan:

This letter is in response to your query of February 26, 2002 concerning the 2001 Year-End Report filed by the Doggett for U.S. Congress Committee.

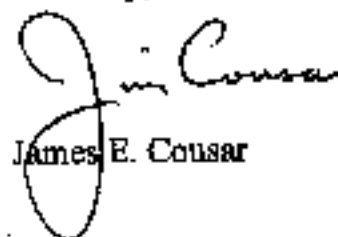

After careful review, I have determined that the discrepancy in the cycle-to-date totals was created in the mid-year report (01/01/01-06/30/01) filed by the committee. In the original filing of the mid-year report, a \$15,000 payment to the DCCC dated 06/27/01 was incorrectly categorized as an "operating expense" rather than "other disbursement." The amendment restates the \$15,000 as an "other disbursement" and deletes it from the "operating expense" totals.

The new totals for the mid-year report reflect total operating expenditures of \$29,931.02 for the reporting period, and \$38,943.69 for the cycle-to-date.

This amended report was filed electronically with the FEC on Friday, March 15, 2002. The committee's reports filed after the mid-year report have reflected the correct cycle-to-date information, as shown on the cycle-to-date total.

Please contact me if you have any further questions regarding reports made by the committee. My direct number is (512) 469-6112.

Sincerely,

James E. Cousar
